

# Choosing Wisely: Beyond Using Technology for its Own Sake

Professors Michael Hunter Schwartz and Gerald Hess  
Co-Directors, Institute for Law Teaching and Learning

<b>Available Technologies</b>	<b>Uses or Learning Benefits</b>

## Factors to Weigh in Making Teaching Technology Decisions

Identify a Technology You Are Interested in Using

Apply the Factors to Assess the Technology

Learning goals	
Active learning	
Alternative uses of classroom time	
Benefits and trade-offs of the technology and alternatives	
Practical considerations – reliability, cost, ease of use, availability of tech support, etc.	

## Best Practices for Using Technology
